Member Relations

Member Relations visits VLCT members at their offices, updates them on the latest League services, and helps members make their best use of the products and services offered by PACIF and VERB. Whether answering questions about current benefits, learning about a specific problem, or introducing a new program, Larry Smith enjoys working with local governments so they can meet the needs of taxpayers and employees while complying with current laws. He coordinates closely with other PACIF and VERB staff, and when a question will be best answered by another League department, Larry helps make that connection.

To get in touch with Larry and request a call or a visit, please either complete the [Request Coverage Information form](#) [1], email him at lsmith@vlct.org [2], or call him at 800-649-7915.
