Vision Insurance

The VERB Trust offers vision benefits to its members through EyeMed Vision Care®.

^[1]Members choose from three plan options. Our Packaged plan is provided to employees as part of their health insurance benefit. The two Voluntary plans (one Standard and one Enhanced) are for employees who want to take advantage of our low group rates through payroll deductions.

For more information about this popular benefit, please call 1-800-649-7915 and speak with Larry Smith, Manager, Member Relations (or email him at lsmith@vlct.org ^[2]), or Kelley Avery, Health Benefit Programs Administrator (or email her at kavery@vlct.org ^[3]).
