## **VLCT Publishes 2018 Vermont Municipal Compensation and Benefits Survey**

The Vermont League of Cities and Towns (VLCT) has released the 2018 edition of its Vermont Municipal Compensation and Benefits Survey. The annual survey of VLCT membership is compiled by VLCT's Municipal Assistance Center (MAC) and serves as a valuable statewide comparison tool for members as they set compensation and benefits, plan for upcoming year budgets, and review salaries.

[Print and digital versions are available for sale through the VLCT online bookstore](#) [1]. The survey results are provided at no cost to members who provided survey responses.

Any questions about the results of the 2018 survey should be [directed to MAC staff](#) [2].
