VERB Unemployment Insurance 2020 Wage Report Form

January 29, 2021. All members of VERB's UI Program need to list their employees' 2020 wage information in the Excel file provided below and email the completed file – still in the Excel format – to Kelley Avery before May 1, 2021.

All the instructions are included at the top of the spreadsheet.

Receiving accurate data before the deadline is crucial for calculating your group's 2022 contribution, so if you have any questions, please pose them to Kelley ASAP via email or by calling 800-649-7915, ext. 1965.
