

Vermont League of Cities and Towns
Serving and Strengthening Vermont Local Government

The Vermont League of Cities and Towns (VLCT) is a nonprofit, nonpartisan organization, owned by its member municipalities, with a mission to serve and strengthen Vermont local government. It is directed by a 13-member Board of Directors elected by the membership and comprising municipal officials from across the state. The most recent audited financial statements are posted on our website, vlct.org/about/audit-reports.

Member Benefits - All 246 Vermont cities and towns are members of VLCT, as are 139 other municipal entities that include villages, solid waste districts, regional planning commissions, and fire districts. Members have exclusive access to a wide range of specialized benefits, expertise, and services, including:

- **Legal and technical assistance**, including prompt responses to member questions that often involve how to comply with state and federal requirements. During the past year, VLCT answered more than 4,000 legal questions, publishing guidance, templates, research reports, and FAQs explaining how municipalities can comply with the state's most recent COVID-19 requirements and guidance. To support Vermont's towns and cities in recovering from the pandemic, VLCT created a new American Rescue Plan Act (ARPA) Coordination and Assistance Program to help members comply with requirements for spending and tracking Coronavirus Local Fiscal Recovery Funding.
- **Trainings and timely communications on topics of specific concern to officials** who carry out their duties required by state law. The League provided online trainings, a virtual week-long conference, and timely announcements and information about how to access Coronavirus Local Fiscal Recovery Funding as well as a range of municipal topics.
- **Representation before the state legislature, state agencies, and the federal government**, ensuring that municipal voices are heard collectively and as a single, united voice. VLCT's recent legislative efforts have helped provide cities and towns additional resources to respond to the pandemic, address road and bridge repair, tackle cybersecurity, improve housing and economic growth, promote renewable energy, provide emergency medical services, address equity and inclusion, and ensure the quality of our drinking water. Members are also represented at the federal level to Vermont's Congressional delegation and through our partner, the National League of Cities. This federal partnership was instrumental in securing more than \$200 million in local pandemic aid through the American Rescue Plan Act, and ensuring it reached every city, town, and village in Vermont.
- **Access to insurance programs**. The Property and Casualty Intermunicipal Fund (PACIF) provides comprehensive and cost-effective property, liability, and workers' compensation insurance coverage, programs, and services that protect the assets of your community. The VLCT Employment Resource and Benefits (VERB) Trust provides unemployment insurance at stable pricing. VLCT also provides members with the option to purchase life, disability, dental, and vision insurance products at a competitive price. All the programs offer coverage and products that members need and ask for, help Vermont municipalities stretch their budgets, and are *only* available to VLCT members.

At the heart of all these activities is VLCT's commitment to serving as a good steward of member assets, and we are proud of the progress we continue to make in that effort. Members are welcome to contact VLCT anytime to ask questions, and to access resources that can help them carry out the important work of local government.
