

Vermont League of Cities and Towns
Serving and Strengthening Vermont Local Government

About the League. The Vermont League of Cities and Towns (VLCT) is a nonprofit, nonpartisan organization, owned by its member municipalities, with a mission to serve and strengthen Vermont local government. It is directed by a 13-member Board of Directors elected by the membership and comprising municipal officials from across the state. The most recent audited financial statements are posted on our website, vlct.org/about/audit-reports, and show that our positive net position continues.

Member Benefits. All 246 Vermont cities and towns are members of VLCT, as are 139 other municipal entities that include villages, solid waste districts, regional planning commissions, and fire districts. Members have exclusive access to a wide range of specialized benefits, expertise, and services, including:

- **Legal, consulting, and education services**, including prompt responses to member questions that often involve how to comply with state and federal requirements. In 2020, VLCT's timely legal and technical assistance included answering more than 4,000 legal questions and publishing guidance, templates, research reports, and several new groups of FAQs explaining how municipalities can implement the state's COVID-19 requirements. To support Vermont's towns and cities in responding to the pandemic, VLCT quickly researched, assembled, and distributed important information about fiscal impacts, grant opportunities, and how to adapt town operations, hold public meetings remotely.
- **Trainings and timely communications on topics of specific concern to officials** who carry out their duties required by state law, as well as pertinent statewide topics. In response to the pandemic, the League provided online trainings, a virtual week-long conference, and timely announcements and information from state officials about how to comply with requirements and access to funding and assistance.
- **Representation before the state legislature and state agencies**, ensuring that municipal voices are heard collectively and as a single, united voice. VLCT's recent legislative efforts have helped provide cities and towns additional resources to achieve tangible results on pressing issues such as responding to the COVID-19 pandemic, road and bridge repair, cybersecurity, housing and economic growth, renewable energy, emergency medical services, equity and inclusion, and ensuring the quality of our drinking water. Members are also represented at the federal level to Vermont's Congressional delegation and through our partner, the National League of Cities.
- **Access to two exceptional insurance programs.** The Property and Casualty Intermunicipal Fund (PACIF) provides comprehensive and cost-effective property, liability, and workers' compensation insurance coverage, programs, and services that protect the assets of your community. The VLCT Employment Resource and Benefits (VERB) Trust provides unemployment insurance, life, disability, dental, and vision insurance products to members at a competitive price. Both programs offer coverage and products that members need and ask for, help Vermont municipalities stretch their budgets, and are *only* available to VLCT members.
- **Access to a host of educational and informative materials and member conferences**, including a news magazine, handbooks, reports, articles, and events that all focus on the needs of local government and provide additional educational and networking opportunities.

At the heart of all these activities is VLCT's commitment to serving as a good steward of member assets, and we are proud of the progress we continue to make in that effort. Members are welcome to contact VLCT anytime to ask questions, and to access resources that can help each official and employee carry out the important work of local government.
