Lincoln Financial has partnered with FrontierMEDEX, a worldwide leader in travel assistance, to make this valuable benefit available.

The *TravelConnect* benefit is provided at no additional cost to you and includes a wealth of services when traveling just 100 miles or more from home. Services are provided for both business and leisure travel. Whether you want the weather forecast for your destination or need emergency medical help halfway around the world, FrontierMEDEX has the staff and resources to provide support 24 hours a day, seven days a week.

Use the services as much or as little as you need.

Comprehensive coverage

A sampling of our services:

Medical evacuation and transportation. In a medical emergency, FrontierMEDEX will arrange and pay for transportation of the patient to the nearest medical facility able to treat the illness or injury. Once the patient is able to travel home, FrontierMEDEX will arrange and pay for the trip.

Dependent child transportation. If a medical emergency leaves no parent available, FrontierMEDEX will either arrange and pay for the child's trip home or arrange and pay for a family member to travel to and care for the child.

Treatment monitoring. FrontierMEDEX acts as the care manager when the traveler has a medical emergency. The role of FrontierMEDEX varies from case to case: They can request medical records and have them reviewed by their medical director to ensure the treatment is appropriate; they could act as an intermediary; they could provide medical translation services for the patient and/or family; or they could act as the communication conduit between the patient and their family back home.

We also provide these services:

- Destination info—weather, currency and more
- Emergency travel arrangements and funds transfer
- Lost or stolen travel documents assistance
- Language translation services
- Medical and dental referrals
- Assistance with corrective lenses or medical device replacement
- Arrangement for the delivery of medications, vaccines or blood
- Updates to family, employer and/or home physician
- Repatriation of a deceased traveler
- Security and political evacuation assistance
