

Application for VLCT Appointment to the Vermont Pension Investment Commission

Thank you for your interest in the Vermont Pension Investment Commission. The nine-member Vermont Pension Investment Commission (VPIC), created by Act 75, replaces the seven-member Pension Investment Committee. One member representing a municipal employer is appointed by VLCT's executive director. VPIC is responsible for investing the assets of the Vermont State Employees' Retirement System, the Vermont State Teachers' Retirement System, and the Vermont Municipal Employees' Retirement System. Members will be required to participate in periodic training in investments, securities, and fiduciary responsibilities. The first appointment is for a one-year term; subsequent terms are four years. ([Link to legislation.](#))

Your responses to the questions below will help VLCT's executive director make an appointment to VPIC.
