

Vermont League of Cities and Towns
Serving and Strengthening Vermont Local Government

The Vermont League of Cities and Towns (VLCT) is a nonprofit, nonpartisan organization, owned by its member municipalities, with a mission to serve and strengthen Vermont local government. It is directed by a 13-member Board of Directors elected by the membership and comprising municipal officials from across the state.

Member Benefits - All 247 Vermont cities and towns are members of VLCT, as are 142 other municipal entities that include villages, solid waste districts, regional planning commissions, and fire districts. Members have exclusive access to a wide range of specialized benefits, expertise, and services, including:

- **Legal and technical assistance**, including prompt responses to member questions that often involve how to comply with state and federal requirements. During the past year, staff responded to thousands of member questions and published guidance, templates, research reports, and FAQs. In 2022, VLCT began offering additional government finance training and consulting services and launched the new Federal Funding Assistance Program (FFAP). FFAP offers communities advice on complying with federal rules surrounding pandemic funding, provides direction and insight on accessing billions of dollars in federal infrastructure funding, and provides input to state leaders on designing and implementing grant programs for municipalities.
- **Trainings and timely communications on topics of specific concern to officials** who carry out their duties required by state law. The League provided training via webinars, onsite classes, and during the hallmark annual event, Town Fair, the largest gathering of municipal officials in the state. VLCT's Equity Committee also published an online equity toolkit that assists municipalities in centering the work of justice, diversity, equity, inclusion and belonging in their decision making, policies, practices, and programs.
- **Representation before the state legislature, state agencies, and the federal government**, ensuring that municipal voices are heard collectively and as a single, united voice. VLCT's recent legislative efforts have helped provide cities and towns additional resources to respond to the pandemic, address road and bridge repair, tackle cybersecurity, improve housing and economic growth, promote renewable energy, provide emergency medical services, address equity and inclusion, and ensure the quality of our drinking water. Specific success in 2022 includes securing \$45 million in funding to help municipalities make energy improvements in their buildings, securing \$250,000 for VLCT's Federal Funding Assistance Program, increasing Municipal Planning Grants to \$870,000, securing \$250,000 for the Vermont Office of Racial Equity to launch the Inclusion, Diversity, Equity, Action, Leadership Program, and increasing municipal authorities in statute. Members are also represented at the federal level to Vermont's Congressional delegation and through our partner, the National League of Cities.
- **Access to insurance programs**. The Property and Casualty Intermunicipal Fund (PACIF) provides comprehensive and cost-effective property, liability, and workers' compensation insurance coverage, programs, and services that protect the assets of your community. The VLCT Unemployment Insurance Trust provides unemployment insurance at stable pricing. VLCT also provides members with the option to purchase life, disability, dental, and vision insurance products at a competitive price. All the programs offer coverage and products that members need and ask for, help Vermont municipalities stretch their budgets, and are *only* available to VLCT members.

Members are welcome to contact VLCT anytime to ask questions and to access resources to help them carry out the important work of local government. **To learn more about the Vermont League of Cities and Towns, visit vlct.org.** Recent audited financial statements are available at vlct.org/AuditReports.
