- Designated your key roles (*Account Administrator*, *Point of Contact for Reporting*, and *Authorized Representative for Reporting* – it is important that you understand the capabilities and responsibilities of each role)

Special thanks *to Denise Daigle, Town Clerk/Treasurer, Town of Newport, and Penny Jones, Morrisville Water & Light, who generously shared their time, patience, and portal screens, with VLCT to use in the examples that follow.*

STEP 1

Update your EXISTING project(s) that were entered during the April 2022 reporting process

Select the green check box under "***Project Status***" and click it to open the "Add Project" screen.

Once you are in the "***Add Project***" screen, you will need to update "***Current Period Obligations***" and "***Current Period Expenditures***." If nothing has changed, you will still need to enter "0" in each of these fields – do not leave them blank.

If the project is complete, then select "***Completed***" from the "***Status to Completion***" dropdown menu. Select "***Confirm Project***" when you are done.

**** YOU MUST DO THIS FOR EACH PROJECT THAT WAS ADDED IN THE 2022 PROJECT & EXPENDITURE REPORT. ****

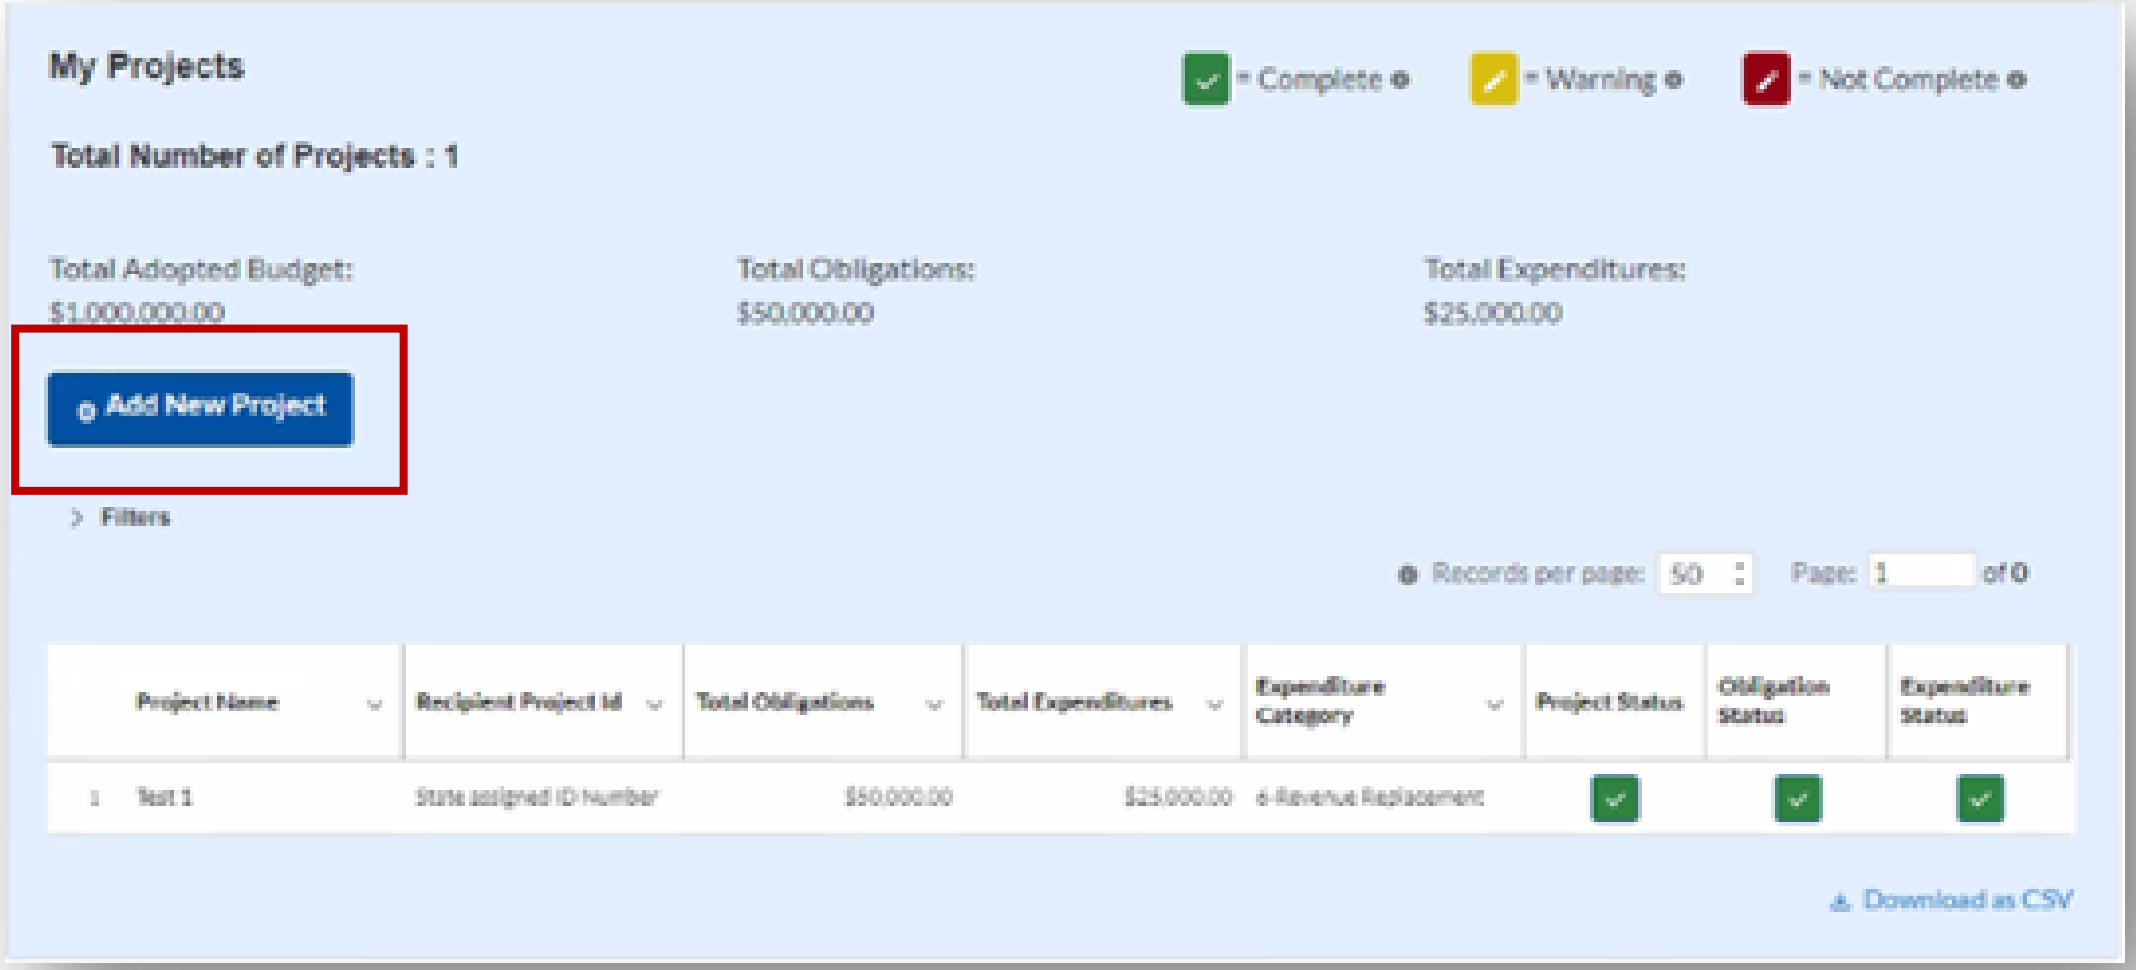

STEP 2

Adding NEW projects for the 2023 reporting period (April 1, 2022 – March 31, 2022)

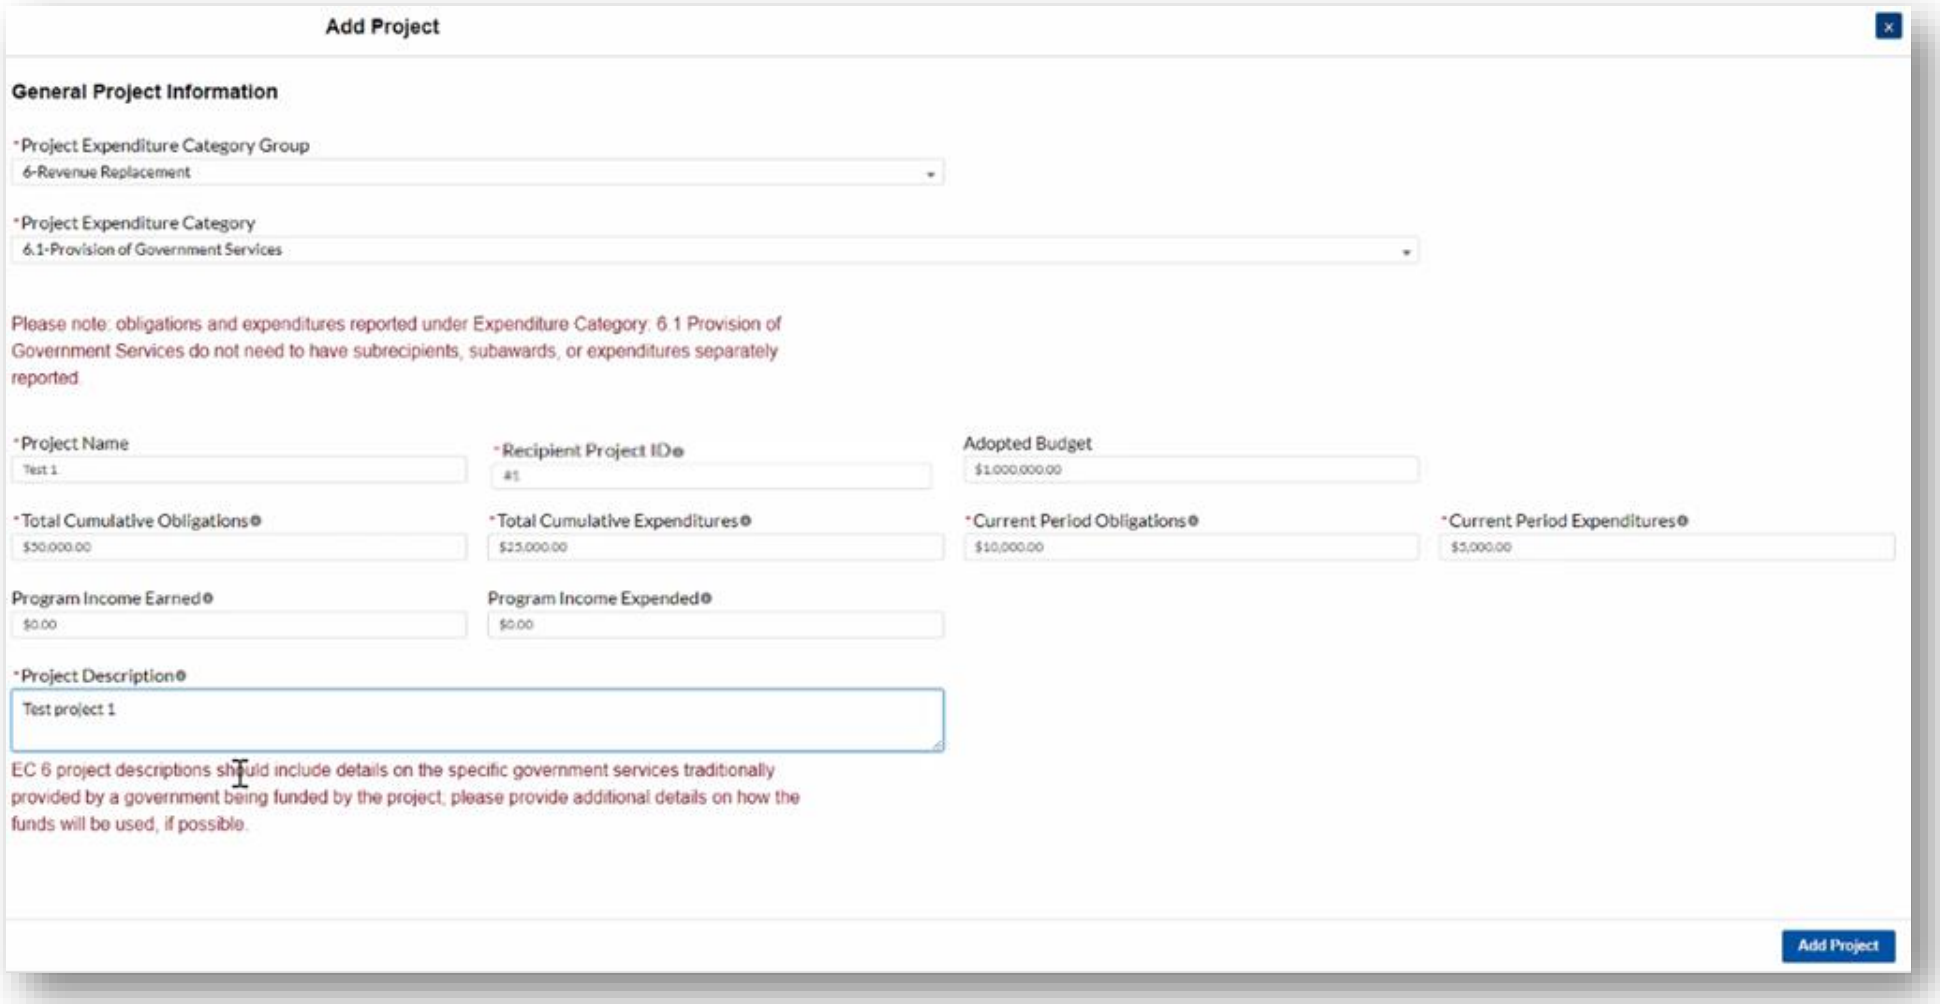

TIP: To make things simpler/easier for reporting, you can create just one project for this reporting period and report all expenditures under it. Provide detail for how the funds were spent (dollar amounts and short descriptions for each) in the narrative "***Project Description"*** field.

After existing projects have been updated, if applicable, select "***Add New Project***" to begin entering project for the 2023 period (April 1, 2022 – March 31, 2023).

Because you elected the standard allowance for revenue loss last year, all reporting of ARPA expenditures for the entire amount of your ARPA award will be under Expenditure Category Group 6 – Revenue Replacement, using either **Expenditure Category 6.1 Provision of Government Services** or **6.2 Non-federal Match for other Federal Programs**. Please see the next two slides for an example of each.

For Projects Entered Under Revenue Replacement 6.1 Provision of Government Services

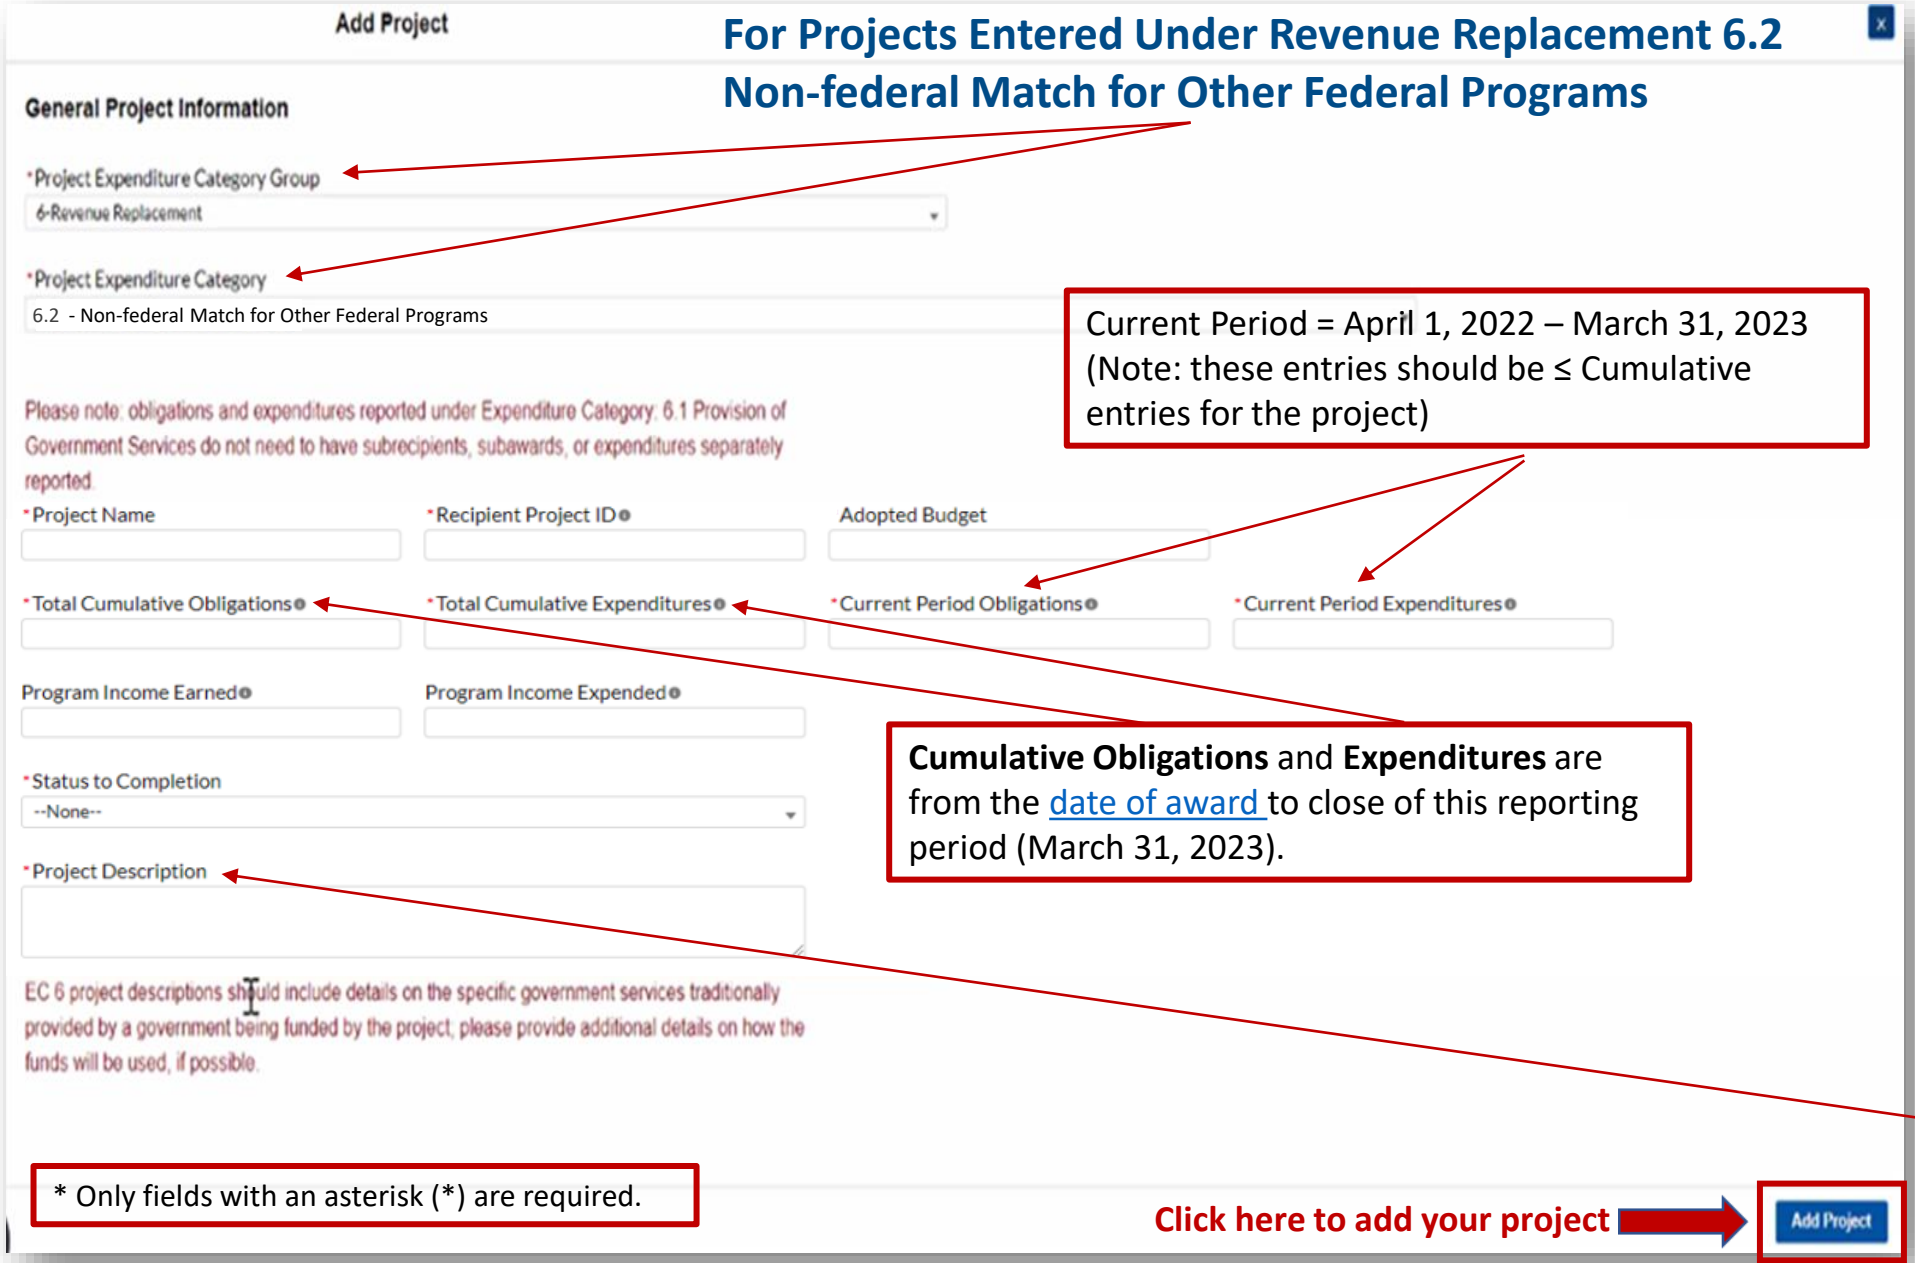

Current Period = April 1, 2022 – March 31, 2023 (Note: these entries should be ≤ Cumulative entries for the project)

Cumulative Obligations and **Expenditures** are from the date of award to close of this reporting period (March 31, 2023).

- **Project Name:** Self explanatory
- **Recipient Project ID**: suggested project ID numbering HERE.
- **Adopted Budget:** This is for this project, not your municipal operations budget. You can leave this blank.
- **Total Cumulative Obligations:** See note in slide
- **Total Cumulative Expenditures**: See note in slide

- **Current Period Expenditures:** See note in slide
- **Program Income Earned:** leave blank

For Projects Entered Under Revenue Replacement 6.2 Non-federal Match for Other Federal Programs

After you have added all the projects for this reporting period (4/1/2022 – 3/31/2023) they should appear in the table in the "**My Projects**" section. Each project should have three (3) green check marks next to it showing it is complete. After all projects have been successfully entered, click "**Next**" at the bottom of the page to advance to the "**Recipient Specific**" screen.

The “**Recipient Specific**” screen is the “**Revenue Replacement**” page. For the question: “Is your jurisdiction electing to use the standard allowance of up to $10 million, not to exceed your total award allocation, for identifying revenue loss?” you should answer “**YES**.” After selecting “**YES**” a series of conditional questions will populate.

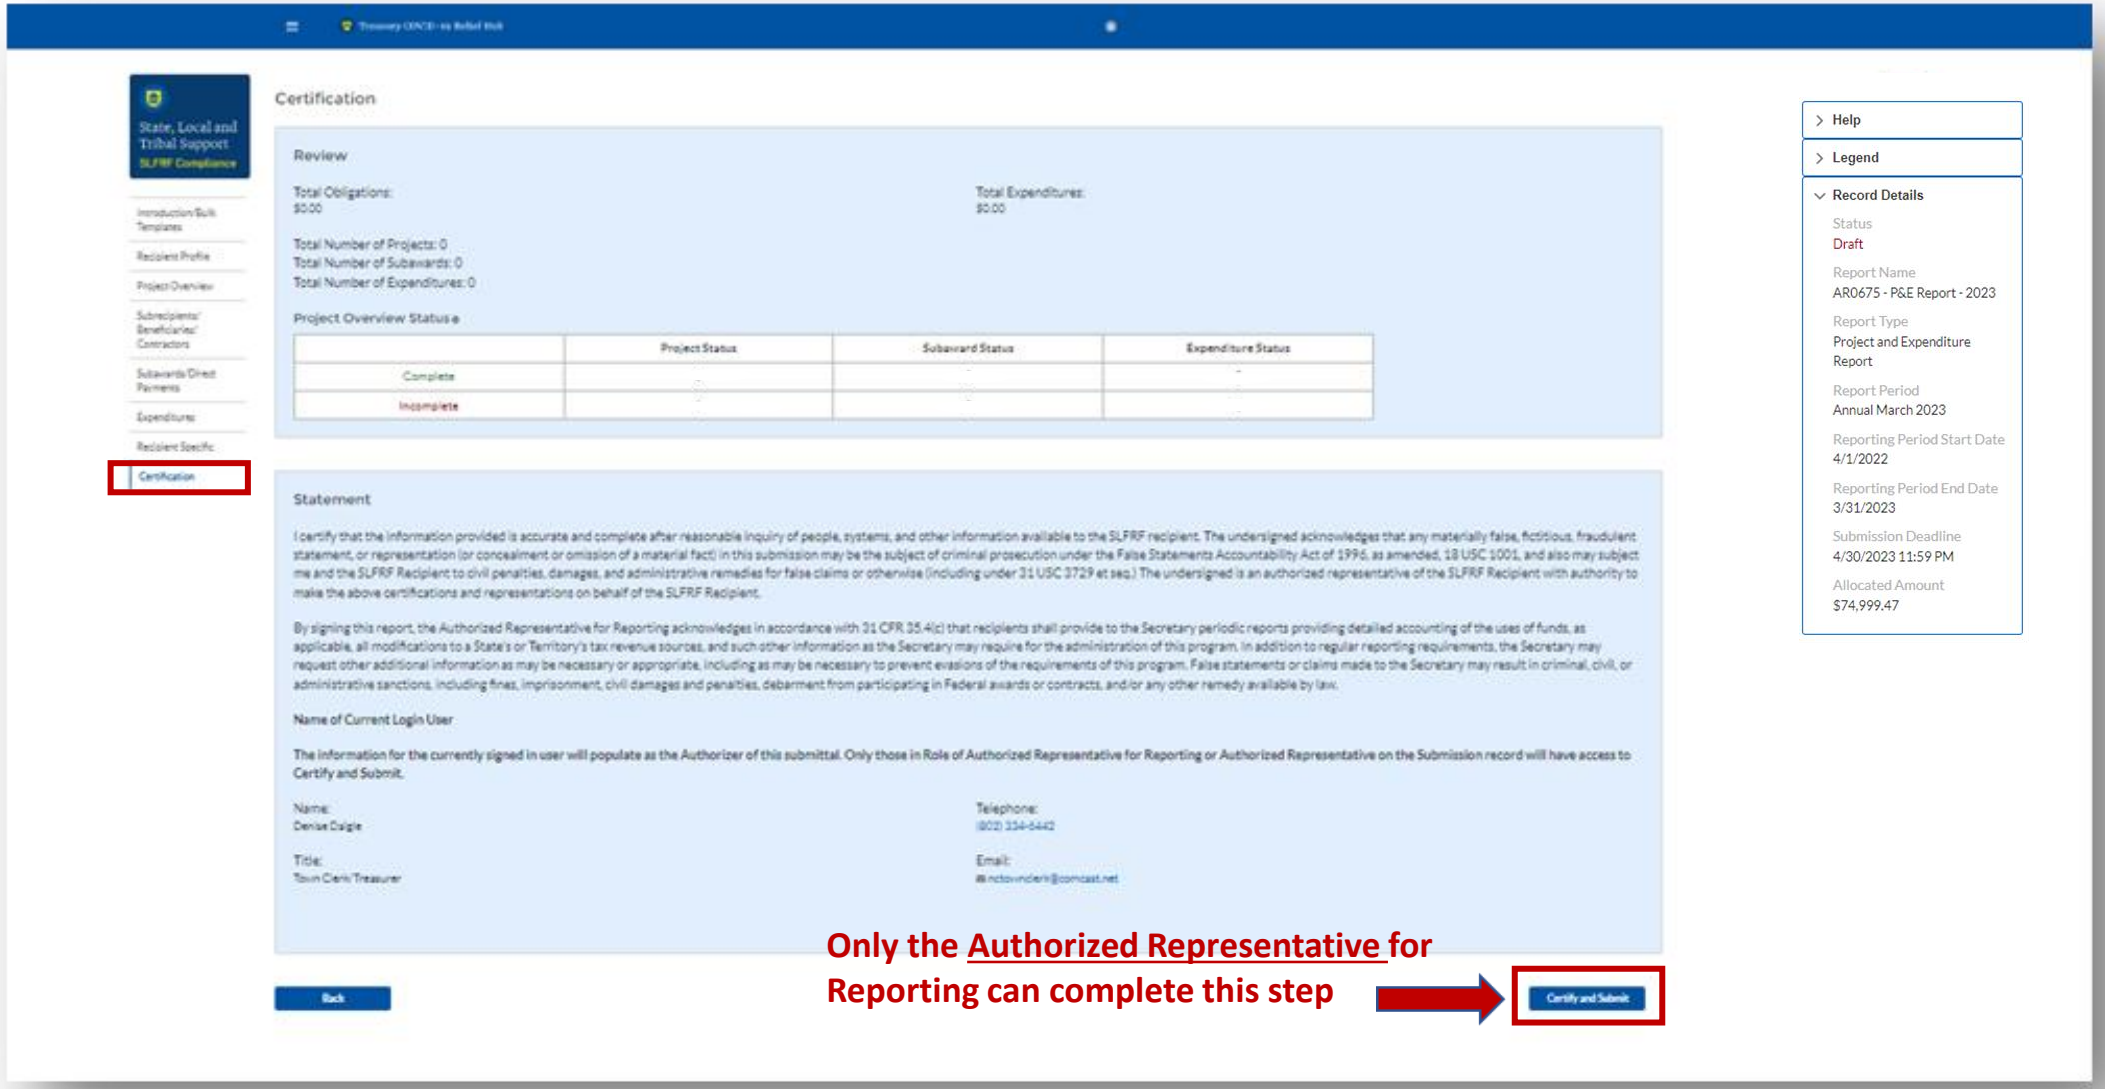

On the "***Revenue Replacement***" page in the "***Revenue Replacement Key Inputs***" section follow the steps in **RED** below:

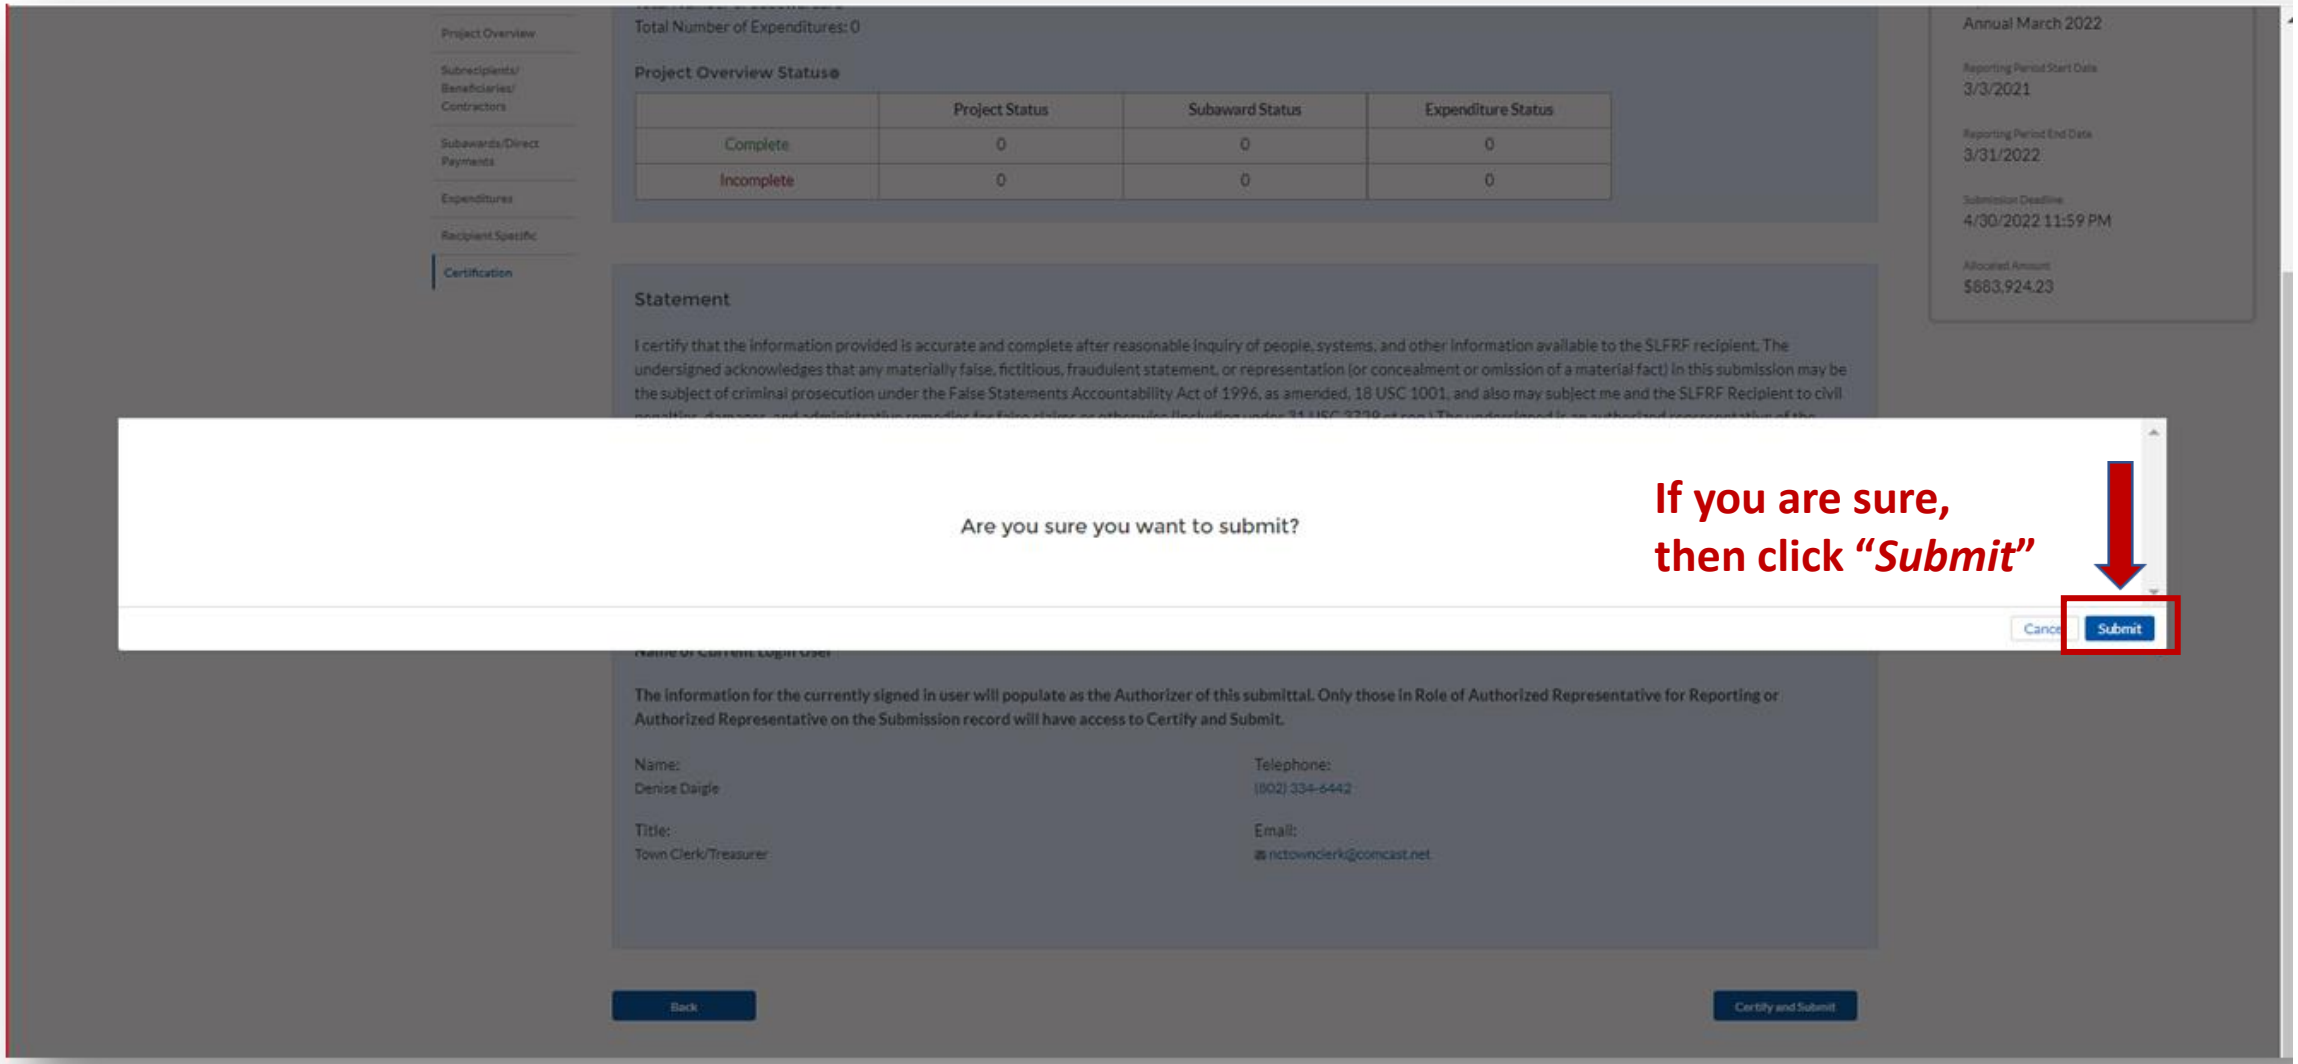

You will arrive at the "***Certification***" page. It should show as many projects as you entered on the "***Project Overview***" page under "Complete"; none should appear under "Incomplete."

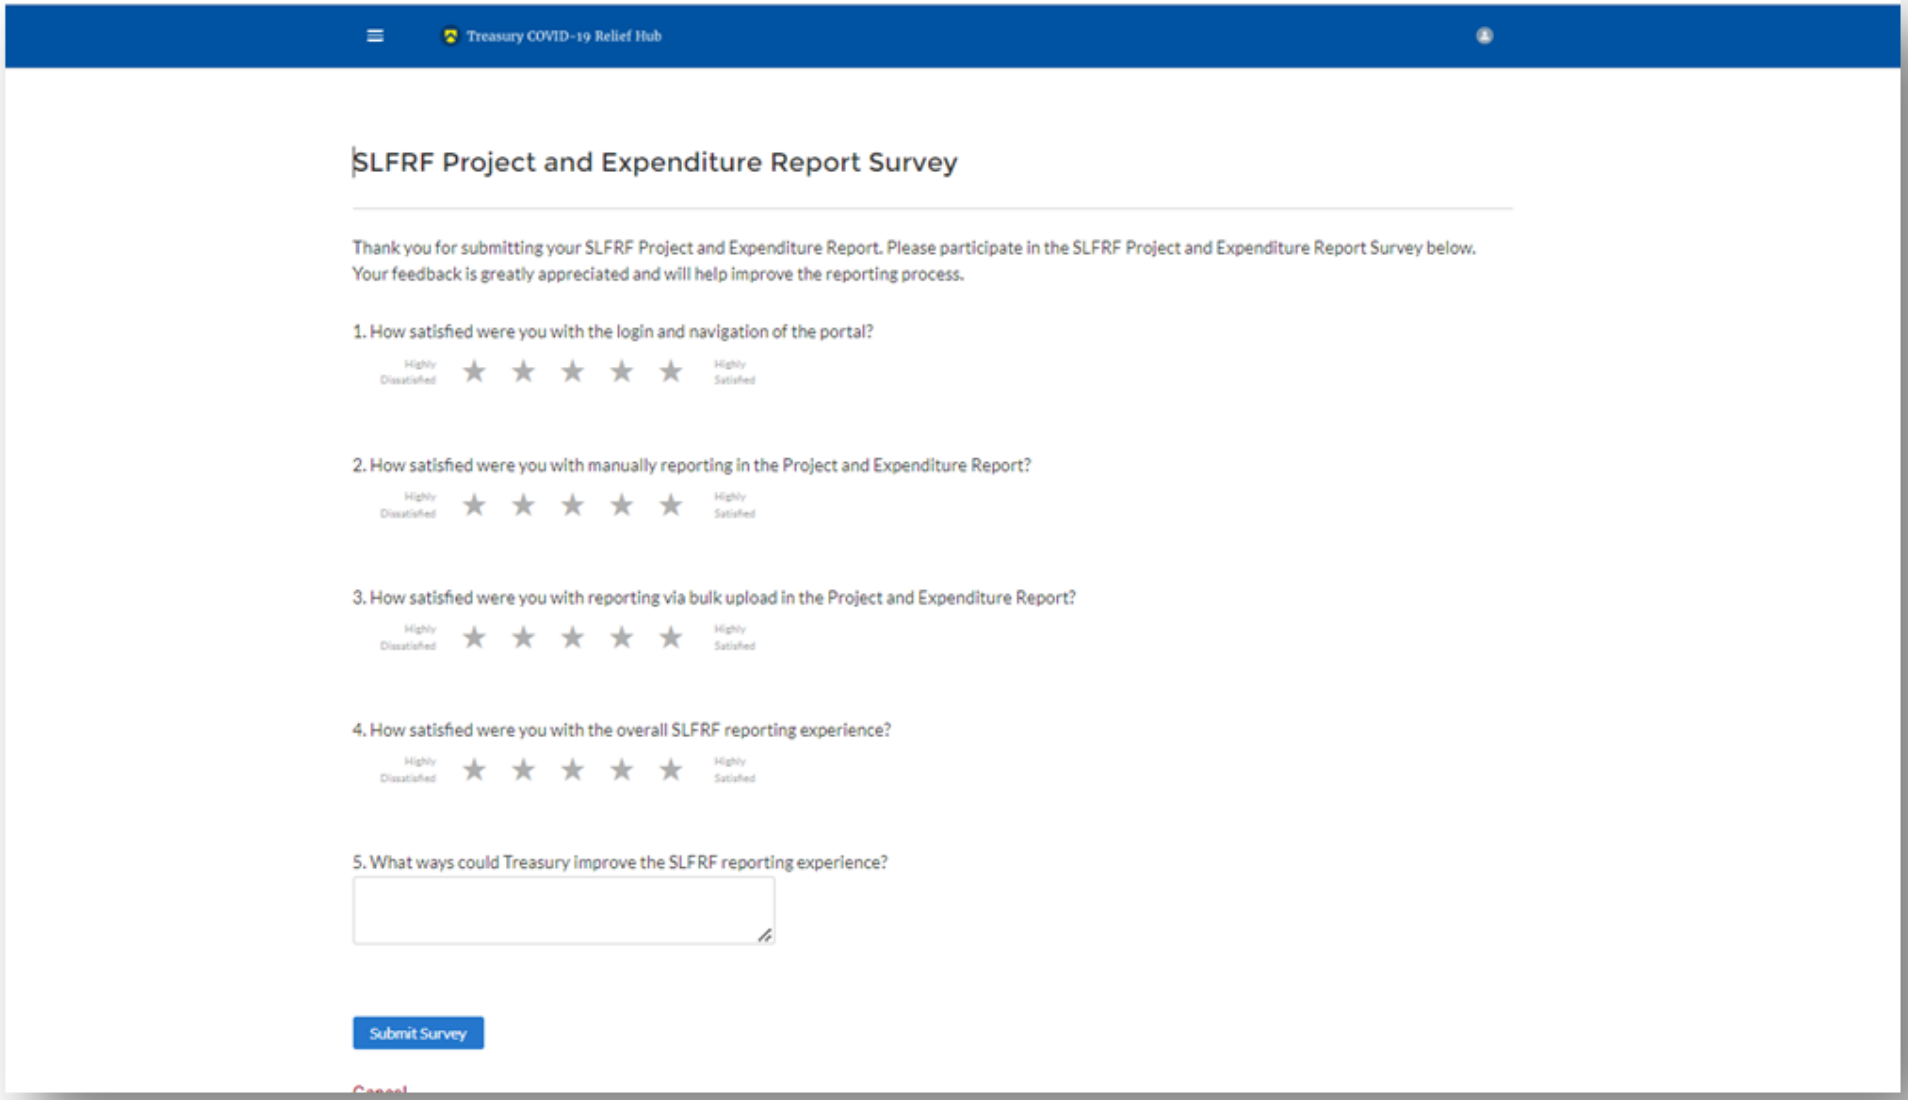

This screen also contains pre-populated information for whoever was designated to the role of "Authorized Representative for Reporting." If this is not you, then you will not be able to "***Certify and Submit***." Only the Authorized Representative for Reporting can do this.

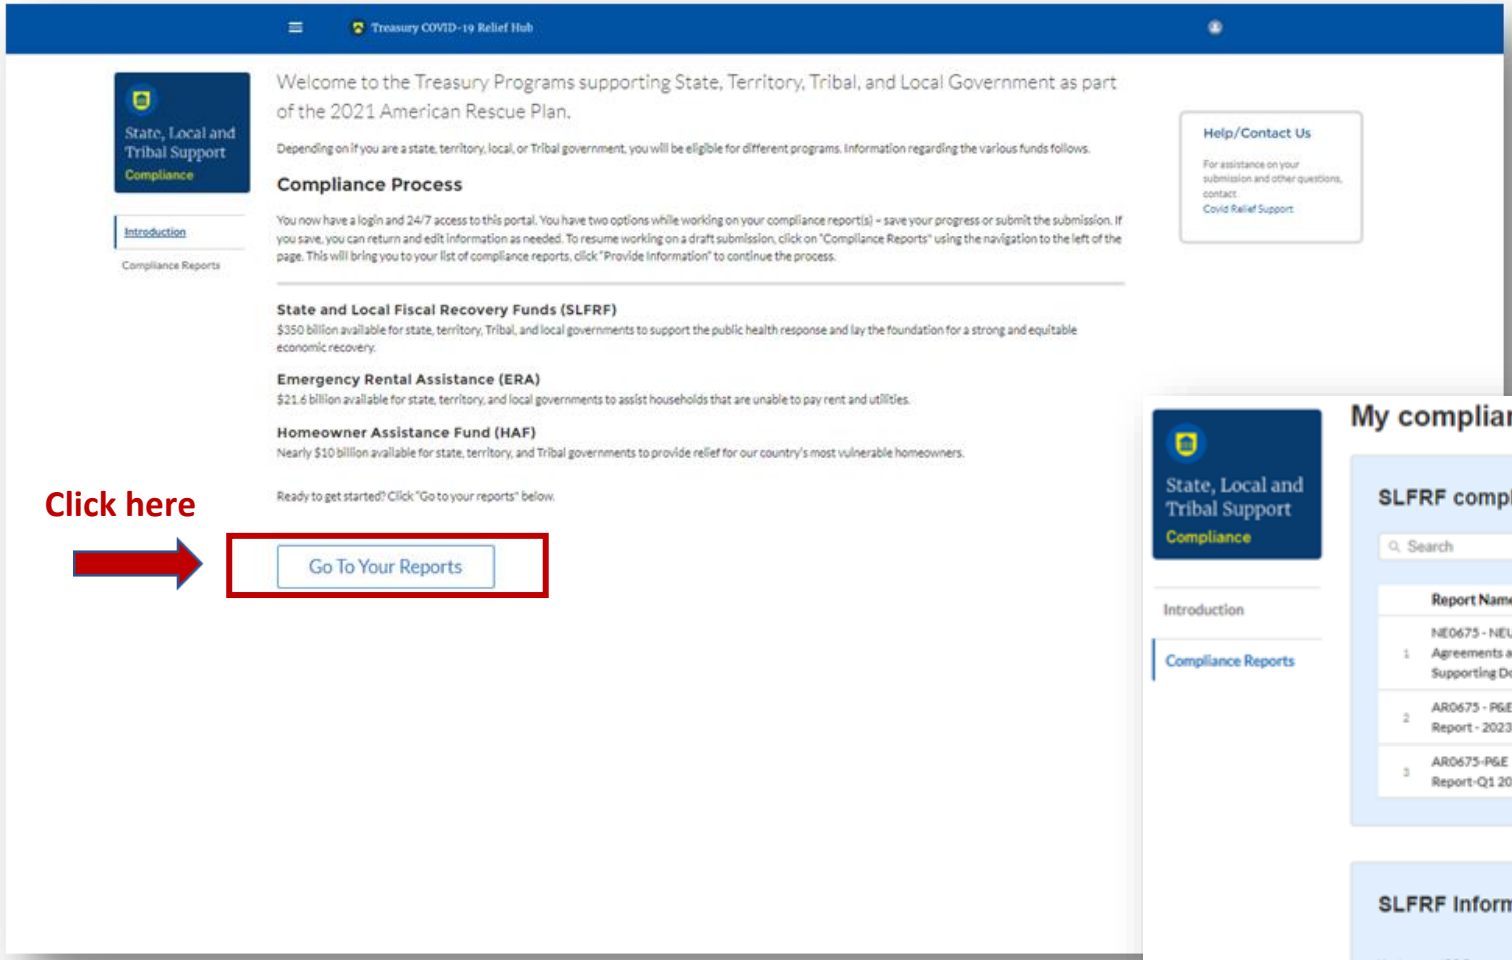

If you were designated for the role of "Authorized Representative for Reporting" then you will receive this message after hitting the "***Certify and Submit***" button.
