Streamline Employee Management
Know instantly when enrollment events occur and minimize claim and billing issues.

Employee Self Service
Our easy-to-navigate self-service portal puts employees in the driver's seat.

Improve Employee Communication
Whether it's benefits, compliance, or company communications, employees are always in the loop.

All your Documents, Available on Demand
Once an employee uploads a document, that document is stored directly on the employee record.

Paperless
Paper forms and files are replaced by a centralized HR management console and employee portal that's always up-to-date.

Efficient
Manage your interactions for one place so you can spend more time growing your business and less time on manual processes.

Accessible
Help your employees help themselves by allowing HR and employees to find the information they need without having to call for support.

Control
Go beyond the basics and improve communication and engagement with quick access to reports and configuration tools.
